**122,000+ Journal  
Articles on WOL**

Wiley is a leading society publisher in Food Science & Technology, working with societies and associations worldwide to publish the very best in academic, clinical expertise and student learning. We produce high quality publications aimed at food scientists & technologists to provide practical and theoretical knowledge in specific specialties such as food quality, food safety, quality assurance, crops and agriculture. There are over 30 journals in the Wiley Food Science & Technology portfolio, of which two are in the top 10, and more than 20 are ranked in the ISI Journal Citation Reports®. Wiley publishes with ten learned societies, including the Institute of Food Technologists – the largest Food Science and Technology organization in the US.
