**71,000+ Journal
Articles on WOL**

Wiley is a leading society publisher in Microbiology journals, working with societies and associations worldwide to publish the very best in academic, clinical expertise and student learning. We publish 15 of the 119 journals listed in the ISI Microbiology category, three of which are in the top 20. Our Microbiology journals publish in a range of subjects areas including Applied Microbiology, Bacteriology and Prokaryotic Microbiology, Clinical Microbiology, Infectious Disease, Molecular Microbiology, Mycology, Parasitology, Sexually Transmitted Disease, Travel Medicine and Virology. Wiley partners with six society partners including the Society for Applied Microbiology and the European Society of Clinical Microbiology and Infectious Diseases.

Society Partners

Society for Applied Microbiology	Japanese Society for Host Defense Research
Bergey's Manual Trust	Japanese Society for Virology
Japanese Society for Bacteriology	International Society of Protistologists

Bergey's Manual of Systematics of Archaea and Bacteria

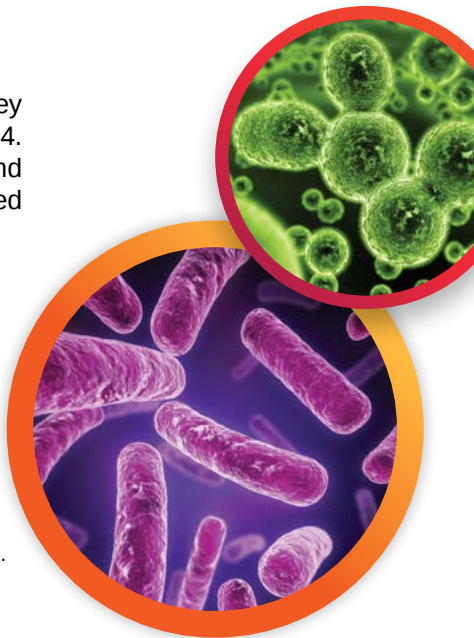

Wiley has announced a new partnership with Bergey's Manual Trust, which will see Wiley publish Bergey's Manual of Systematics of Archaea and Bacteria (BMSAB) from 2014. Bergey's is recognized as the most complete and authoritative description of bacterial and archaeal diversity available, and this partnership will see the new third edition published electronically for the first time.

Current Protocols in Microbiology and also Immunology:

- Step-by-step instructions for experiments in the life sciences
- Some clinical information, but mostly basic research
- Indexed in PubMed and Scopus
- Detailed instructions and troubleshooting tips; videos, figures, tables to assist the procedure

Wiley Online Books

Combines quality content with the convenience, accessibility and enhanced functionality of electronic access. With more than 16,000+ monographs, handbooks, dictionaries, companions and landmark book series, you can pick and mix titles any way you like (or buy a series collection!).

190+ Online
Reference Works

Wiley Online Library hosts an extensive collection of journals, books, reference works, databases and WIREs. These online resources provide a seamless solution for libraries and institutions, giving academics, students, researchers and professionals access to multi-disciplinary content on a single platform.

Enhanced User Experience

Anywhere Article offers a seamless reading experience on your digital gadgets. The text in each journal article is formatted to the device screen, providing optimal reading, along with:

- No clutter
- Easy access to key information
- Easy navigation within figures and across figures in the article

Altmetrics allows for tracking of article mentions on social media. The real-time data tracking capability allow authors and readers to:

- Explore online conversations surrounding the content
- Identify papers with the greatest community interest

2015/16 Opt-in Journals

Wiley is committed to publishing new journals to showcase research in new areas of study. To allow librarians and readers to 'test-drive' these new journals, online access is free in the first two to three years under the opt-in model for institutions. A total of 7 journals are available for opt-in in 2015/16. Benefits include:

- Perpetual access to all content published during the opt-in period
- One complimentary print subscription per title for institutions who opt-in
- No obligation to subscribe once the title converts to paid subscription - institutions will be given the option of FTE-banded pricing
- Some new journals are available free to all readers during the initial trial period

To request for free online access to the opt-in journals, please approach your account manager or visit Wiley Online Library to submit an [online application](#)

Journals available for Opt-in:

- [Clinical Liver Disease](#)
- [Acute Medicine & Surgery](#)
- [Economic Anthropology](#)
- [Sonography](#)
- [Advanced Electronic Materials](#)
- [ChemNanoMat](#)
- [Nihon Kyukyu Igakukai Zasshi](#)

**new opt-in titles may be added throughout the year*
