**106,500+ Journal
Articles on WOL**

Wiley is the world's leading publisher of Ecology, Conservation & Evolution journals. The high quality publications are relevant for researchers, students and professionals working in a range of sub disciplines including Conservation, Ecology, Entomology, Evolution, Ornithology and Zoology. Wiley publishes over 80 internationally renowned journals with a number of them ranked in the Top 10 making the Wiley Ecology, Conservation & Evolution collection an essential resource for research and study.

Beginning in 2016, Wiley is proud to be partnering with the Ecological Society of America (ESA). Access ESA journals on Wiley Online Library starting in January 2016.

WIRES

Wiley Interdisciplinary Reviews (WIRES) Climate Change combines the most powerful features of online reference works and review journals, emphasizing the importance of interdisciplinary collaboration in research and education.

It promotes cross-disciplinary discussion of a global phenomenon with long-term societal implications. Published in association with the Royal Meteorological Society and the Royal Geographical Society (with IBG).

190+ Online
Reference Works

Wiley Online Library hosts an extensive collection of journals, books, reference works, databases and WIREs. These online resources provide a seamless solution for libraries and institutions, giving academics, students, researchers and professionals access to multi-disciplinary content on a single platform.

Enhanced User Experience

Anywhere Article offers a seamless reading experience on your digital gadgets. The text in each journal article is formatted to the device screen, providing optimal reading, along with:

- No clutter
- Easy access to key information
- Easy navigation within figures and across figures in the article

Altmetrics allows for tracking of article mentions on social media. The real-time data tracking capability allow authors and readers to:

- Explore online conversations surrounding the content
- Identify papers with the greatest community interest

2015/16 Opt-in Journals

Wiley is committed to publishing new journals to showcase research in new areas of study. To allow librarians and readers to 'test-drive' these new journals, online access is free in the first two to three years under the opt-in model for institutions. A total of 7 journals are available for opt-in in 2015/16. Benefits include:

- Perpetual access to all content published during the opt-in period
- One complimentary print subscription per title for institutions who opt-in
- No obligation to subscribe once the title converts to paid subscription - institutions will be given the option of FTE-banded pricing
- Some new journals are available free to all readers during the initial trial period

To request for free online access to the opt-in journals, please approach your account manager or visit Wiley Online Library to submit an [online application](#)

Journals available for Opt-in:

- [Clinical Liver Disease](#)
- [Acute Medicine & Surgery](#)
- [Economic Anthropology](#)
- [Sonography](#)
- [Advanced Electronic Materials](#)
- [ChemNanoMat](#)
- [Nihon Kyukyu Igakukai Zasshi](#)

**new opt-in titles may be added throughout the year*
