Wiley publishes 15 of the world's top Gastroenterology and Hepatology journals, all of which are ranked by ISI in the Gastroenterology and Hepatology category and over half of which are published in association with leading societies. Our biggest journal in this field, Hepatology, is published on behalf of the **American Association for the Study of Liver Diseases** (AASLD), and ranks #5 in the ISI 2014 Journal Citation Report, with an Impact Factor of 11.055. The book program publishes key titles such as the *Atlas of Gastroenterology*, *Textbook of Gastroenterology* and the *Handbook of Gastroenterology*, all titles in the world renowned Yamada franchise. The combined strength of the journals and books portfolio makes Wiley one of the leading publishers in the field.
