Wiley is recognised worldwide as one of the leading publishers of economics journals and books, with titles covering the whole spectrum of sub-disciplines. We work with over 70 learned societies and top organisations in economics, finance and related fields, publishing more than 160 economics and related journals, of which 69 are ranked in the ISI Economics category, and 16 ranked in the top 50 – making us the largest publisher in this category with 21% of the journals. Wiley's economics books programme offers exciting new titles in econometrics and industrial organisation and includes best-selling titles in managerial economics, financial markets and urban economics written by world-renowned economists including Robert C. Merton, Amartya Sen, Milton Friedman and Theodore Schultz.
