Wiley publishes 16 of the world's top journals ranked by ISI in the 2014 Journal Citation Reports®, making us one of the most important publishers in pharmacology. *Clinical Pharmacology & Therapeutics*, with an impact factor of 7.903, is ranked #9 out of a total of 254 journals in the Pharmacology & Pharmacy category.

The Wiley pharmacology collection is an essential resource that meets the study, reference and research needs of undergraduates, academics, industry professionals and specialist clinicians. As part of an initiative to publish more quality research, 4 new journals were added to the portfolio between 2014-2015, including a new launch and two open access titles.
